

**ISCAS 2008 Event
IEEE WiCAS (Women in CAS) presents:**

Inside-Out Leadership: The Power of Engagement

Eileen McDargh, President McDargh Communications

**Monday May 19, 2008 at 7:30 PM
Cirrus Room (35th floor), Sheraton Seattle Hotel**

If creating superior teams, collaborating, and making a mark in your organization are important, you do not wish to miss this presentation. Technical brilliance is one skill. Brilliance with people is another. Join your colleagues to learn, laugh, and leave energized about who you are and what you can do.

Reception speaker, Eileen McDargh is:

- A member of the International Federation of Professional Speakers and elected to the elite Speaker Hall of Fame, a designation that places her among the top 3% of presenters.
- Award-winning business author, radio commentator, and consistently ranked among the top 100 thought leaders in leadership development by Executive Excellence Magazine.
- Frequent guest of radio and television talk shows.

Book signing at the conclusion.

All IEEE CASS members are welcome to attend in support of Women in CAS.

Please register through: <http://neural.ee.ncku.edu.tw/~pwkao/WiCAS/>.

Space is limited to the first 150 people. Register now to attend an inspirational talk and enjoy the company, food, and an atmosphere with great ideas.
